**If you've got to play the game,
you've got to learn to play it right**

This has been our mantra ever since we started our journey. Over two decades, we have built a reputation as a manufacturer that believes the small details are what really make a product work.

At Continental Hardware, we combine technical know-how with design and engineering skills. A pursuit of perfection and the motivation to go beyond generally accepted limits of technology and finesse drive us to constantly improve our high-quality products.

We have devoted ourselves to create the very best in stainless steel architectural hardware fittings at our plant located on the outskirts of New Delhi, India's capital city. Equipped with the latest CNC and other customised machines, and a highly skilled workforce, we have been producing quality masterpieces from our inception. A specialised R&D division constantly interacts with clients to develop and deliver products sans pareil.

Continental Hardware specializes in: Decorative Handles, Decorative Knobs, Door Pull Handles, Lever Handles, Flush Handles, Bathroom Accessories, Hook & Accessories, along with a whole range of other products in AISI-304 & 316 grades. With dedication, commitment, hard work, and passion, we constantly strive to deliver delight to our customers.
